

LIFESKILLS GRADUATES' TESTIMONIALS:

“As we prepare to leave, I realize how much my peers and I have grown over the past 5 days, and I can't wait to share everything I have learned with my school and community. I believe that every member of this conference has the ability and opportunity to make a difference, one person at a time.”

Joe D. - LifeSkills Participant

“Through the various activities, games, and challenges this week, I have begun to learn how individuals relate to one another both socially and emotionally; and how those connections have the ability to create meaningful relationships.”

Owen M. - LifeSkills Participant
