

WHAT TO BRING TO ***GIRL'S LEADERSHIP CAMP***

Staying at the Patton Campus, you'll be in a college dormitory type setting, with 2, 3, and not as typically, 4 people in your room. Each person will have a closet and you can share a chest of drawers. You will be provided with clean sheets and blankets. Private bathrooms are located in each room. Each set of bunkbeds is assigned to one person for social distancing purposes. The pictures in this packet are intended to give an idea of the typical furniture and room set-up at Patton Campus: Single beds, bunk beds, chests of drawers, nightstands, and upholstered chairs furnish each room. Most rooms include a bathroom attached, very similar to a dormitory.

You need to bring with you the following:

Comfortable and casual clothing for the most part as dressy clothes and shoes are not needed during the week. Appropriate coverage of shirts and shorts is appreciated. Bringing raingear and sneakers is recommended. During active games and outside activities, it is best to wear sneakers. Flip-flops and other sandals are fine to wear during discussion and mealtimes. Participants will be encouraged to change into sneakers for active games to prevent injury. Some other considerations are not to wear large hoop-style earrings or any type of hanging jewelry.

Necessary medications:

Staff will supervise the administration of all prescription drugs and there will be a nurse on-site. Medications are to be stored with nursing staff at registration time. If you have any medical problems or physical challenges that may affect your participation, please be sure to list them on your medical release so staff are aware of your needs or speak with the Conference Director upon arrival.

***Please make sure to come with items necessary for everyday care and functioning.
Please label medications and other critical belongings with your name.***
