David Hefner called in on 9/2/15, 214-629-0391. Spoke to TRL. Complained about Scout connection to Masonry. Resigning his Eagle and all awards because they allowed gay Scouts and adults. Wanted to know what we were doing about it. TL told him he couldn't speak for any Grand Lodge but he didn't think PA GL was going to do anything because it isn't a problem. Hefner claimed he is offering a resolution at Texas Grand Lodge. Wanted to be removed from list of DCBeard Awards as well. TL told him to send written request to be removed from roster, but nothing came in. TL removed him from the public list on 1/19/16 anyway.
